PEACE

Peace is a state of tranquility or quietness of spirit that transcends circumstances..

We can choose to enjoy the peace of God

Grace

The word translated "grace" appears 131 (KJV) in the New Testament comes from the Greek word *charis*, which means "favor, blessing, or kindness."

When the word *grace* is used in connection with God, it takes on a more powerful meaning.

Grace is God choosing to bless us rather than curse us as our sin deserves. It is know has unmerited favor.
