

Paul's Early Ministry

Paul's Preaching

- What did Saul begin doing immediately after his conversion (Acts 9:19-20)? How did the Jews in Damascus respond to this (Acts 9:21)?
- What did the Jews plot to do to Saul (Acts 9:22-23)? What happened when Saul learned of their plans (Acts 9:24-25)?
- Why did Saul have trouble “associating” with the disciples in Jerusalem (Acts 9:26)? What did Barnabas do to persuade the brethren to accept Saul into their fellowship (Acts 9:27)?
- List the things that happened during the “many days” mentioned in Acts 9:23.
- Why did Saul return to Tarsus (Acts 9:28-30)? Where did he set sail?
- When was Paul made an apostle (1 Corinthians 15:8)? Where did he receive his revelation as an apostle from (Galatians 1:11-12)?
- What special work was Saul given as an apostle (Acts 9:15)? Why would this particular work anger certain Jews?
