

Paul's Journey to Rome

Paul's Preaching

- Who is traveling with Paul as he makes his way to Rome (Acts 27:1-2)? What does Paul call one of these men in Colossians 4:10?
- List the places that Paul stops and events that occur during the journey to Rome (Acts 27:3-44). I strongly recommend getting out a map and noticing where these places were in the first century.
- How did the people of Malta treat Paul and his companions (Acts 28:1-2)? How did they initially respond when Paul was bit by a viper (Acts 28:3-4)? How did they react when Paul miraculously healed himself (Acts 28:5-6)?
- What good work did Paul do for the people of Malta (Acts 28:7-10)? Why did Paul do this work (Mark 16:15-20)?
- Describe Paul's conditions while imprisoned in Rome (Acts 28:16)? Who did Paul meet with first in Rome (Acts 28:17-22)?
- What was Paul able to do during his two-year Roman imprisonment (Acts 28:30-31)? What evidence do we have that Paul was probably released after this time?
- What letters did Paul write during his two-year Roman imprisonment? What letters did he write after he was released?
