

**THINGS THAT GO  
BUMP  
IN THE NIGHT**

# The Scariest Time Of The Year?

# Ghosts

- Try to look for the hole in a ghost story, an explanation. With a little thought, most ghost stories unravel pretty quickly.
- Remember what the Bible has to say about ghosts. Souls, once departed, do not have any part in the activities of this world (Ecc. 9:5-6, 9:10). Not even for “unfinished business” will God allow a soul to slip by (Luke 16:19-31).

# HEBREWS 9:27

“And inasmuch as it is appointed  
for men to die once and after  
this come judgment...”

# Zombies

It seems like zombies are everywhere right now. Not only are they popular, but they are incredibly scary.

# Who do we fear them?

- We will always fear death because it is an enemy (1 Corinthians 15:25-26). Somewhere in the back of our minds we have a sense of eternity (Ecc. 3:11), and death is an encroachment upon that.
- Many Bible examples show that God alone has the power to raise the dead, and they are never portrayed as “zombies.”

# UFOs

- Extraterrestrial life would be an interesting situation, but not a dilemma for the believer.
- Perhaps people look to the stars for “answers” or redemption. But that has already come, and the opportunity still exists (1 John 1:1ff).
- Most UFO stories do not add up, anyway.
- The existence of life on another planet would be a death blow to evolutionary theory.
