

RYAN & ALLEN TALK ABOUT:

**Instrumental
music in worship**

**Doesn't the Greek word
psallo infer musical
instruments, by its
definition?**

**What about
instruments used for
worship in the Old
Testament?**

**But won't we have harps
in heaven? How is our
worship today any
different from worship in
heaven?**

**I've heard that 1st
Century Christians just
didn't have access or
ability when it came to
musical instruments.**

**Well, everything I do is
a form of worship to
God according to
Romans 12:1.**
