

A financial market chart with a blue background and grid. The chart features candlestick bars and several moving average lines in various colors (red, green, blue). The y-axis has numerical values ranging from 1.7765 to 1.8035. The x-axis has numerical values ranging from 05.14 to 19.00. The text "Fully Invested" is overlaid in the center in a large, bold, white font.

Fully Invested

Invested In What Matters

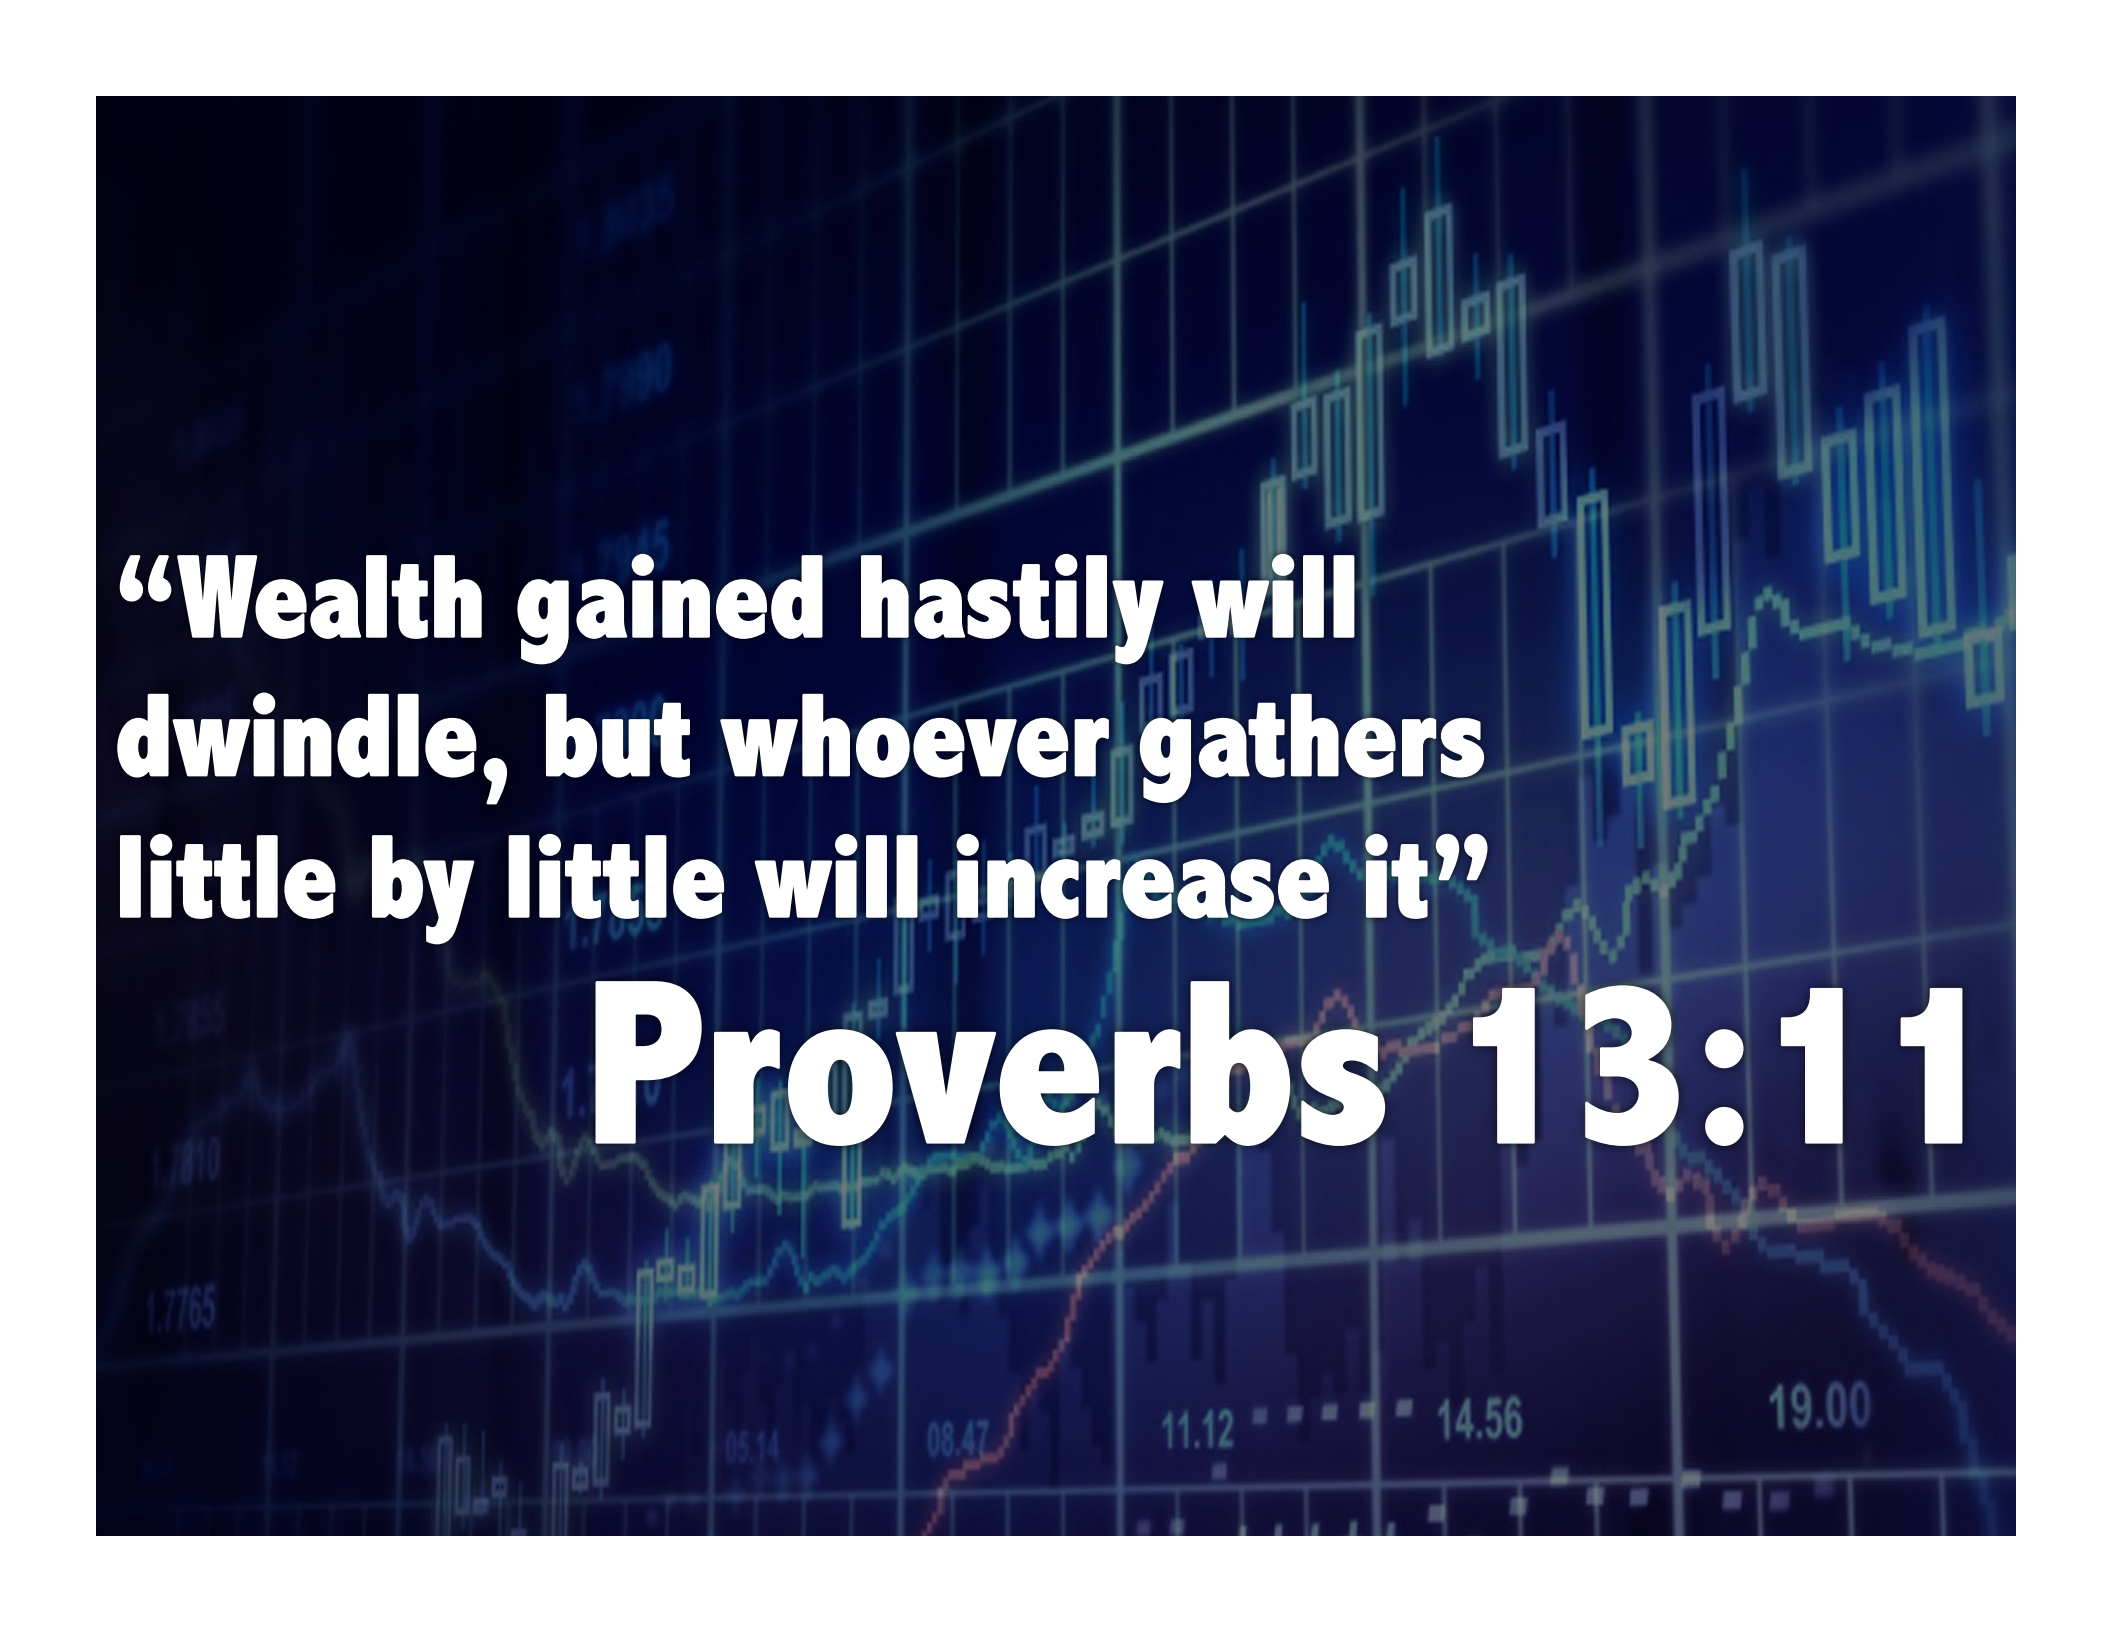

- There is no such thing as doing Christianity, family, or morality half-heartedly. You must be fully invested to see the spiritual and emotional rewards of life's most precious pursuits:
 - Marriage (Ephesians 5:22ff)
 - Parenting (Hebrews 12:9-10)
 - Relationships (Colossians 3:18-25)
 - The human body as a symbol of our interdependence (1 Corinthians 12:14-26)

Being a “Christian on the cheap”

Income might be disposable, *but people are not*

- People are not extraneous or unnecessary to your life. Everybody you know contributes something, even your enemies (Matthew 5:44-45).
- Unbelievers are sometimes more shrewd about their friendships than we are, as Jesus points out in a parable (Luke 16:1-13).
- You might find yourself quite sorry you dismissed people so easily (Proverbs 3:27-28).

A background image of a financial chart with a grid, candlesticks, and various colored lines (green, red, blue) representing data trends. The chart is set against a dark blue background.

**“Wealth gained hastily will
dwindle, but whoever gathers
little by little will increase it”**

Proverbs 13:11

Diversification

- Ecclesiastes 11:1ff
- Look outside your comfort zone for advice, wisdom, and friendship. See older or younger church members as family (1 Timothy 5:1-2).
- Some of the most valuable experiences in life are totally unanticipated – people you didn't expect would influence you, bad examples that shocked you, etc.

A financial candlestick chart with a blue background and white grid lines. The chart shows price movement over time, with several candlesticks and a green line representing a moving average. The text "Learn To Trust Others" is overlaid in large white font. Below it, "Matthew 25:14ff" is also overlaid in white font. The chart includes numerical values on the y-axis (1.7765, 1.7810, 1.7855, 1.7900, 1.7945, 1.7990, 1.8035) and x-axis (05.14, 08.47, 11.12, 14.56, 19.00).

Learn To Trust Others

Matthew 25:14ff

The background of the image is a complex financial chart. It features a grid of light blue lines. Overlaid on this grid are several data series: a primary candlestick chart in light blue, a secondary candlestick chart in light green, and several line graphs in various colors including red, green, and blue. Numerical values are scattered across the chart, such as 1.7835, 1.7810, 1.7765, 1.7810, 05.14, 08.47, 11.12, 14.56, and 19.00. A semi-transparent dark blue horizontal band runs across the middle of the image, containing the main text.

**What's keeping you
from investing?**
