

# **WHICH BAPTISM IS INTO CHRIST?**

**GAL. 3:27**

**It's not talking about 2 different baptisms. It must be talking about the work of God's Spirit when someone is baptized in water. The Holy Spirit is intricately involved in water baptism. Why can we be sure of this?  
Because there's only 1! Eph. 4**

**Is there a passage that indicates a person is  
saved in water baptism?  
I Pet. 3:21**

# **More Passages Regarding the Holy Spirit's Work in Water Baptism:**

- **Titus 3:5**
- **Eph. 5:25-26**

# **We know what Paul said – what did he do?**

- **Again, why the word wash?**
- **If Paul was being told to receive Holy Spirit baptism, why is he being told to do it? Holy Spirit baptism is never something someone can choose for themselves...so why is the initiative on Paul?**
